

# 1ST YEAR GRADUATE STUDENT PROGRESS

The 1st Year Graduate Student Progress form is required to be completed by the end of a student's first semester in the graduate program. The form requires a status update from the student as well as their Research Advisor regarding their progress in the graduate program. If a Research Advisor has not yet been secured then the student's assigned Temporary Academic Advisor (TAA) will provide the status update. If a student has not secured a Research Advisor by the end of their first Fall semester then they are required to resubmit the 1st Year Graduate Progress Form by spring break of the following semester with a Research Advisor. All students must have secured a research Advisor by spring break .
