PICs are the Pick:

The Era of Photonic Integrated Circuits (PIC)

A panel discussion featuring leaders from academia and industry exploring the future of integrated photonics and semiconductor manufacturing.

PANELISTS

Nasser Peyghambarian

Professor Emeritus,
Optical Sciences Chief
Technical Officer

Garrett Cole

Associate Professor,
Nelson Claytor Endowed
Chair in Optical Sciences

Carl Dohrman

Associate Director
Raytheon Advanced
Technology Business Unit

**And
more!**

TUESDAY

OCTOBER 20, 2026

2:10 PM - 3:10 PM

**Grand Challenges
Research Building**

FACILITATED BY

Robert Norwood, Professor of Optical Sciences

THE UNIVERSITY OF ARIZONA

**Wyant College
of Optical Sciences**
